

Co-curricular Activities

Extending Learning beyond Classroom....

We at JMJ strongly believe that education means all round drawing out best in child's mind, body and spirit. The aura of JMJ provides multi-faceted approach to the learning experiences. Co-curricular activities like-Taekwondo, Skating, Spic-Macay, Learning musical instruments, Techniques of playing football, Volleyball, Non-Fire Cooking, Art and Craft Classes etc. awaken joy in creative expression and knowledge as well. Pupils participate with great energy and commitment in these wide ranges of enrichment activities achieving high levels of success and exhilarating experiences. The school offers a broad curriculum that celebrates students' talents and not just a small range of them.
