Principal's Blessings

Dear Students

"The new dawn blooms as we free it. For there is always light if only we are brave enough to see it, if only we are brave enough to be it."

I take this opportunity to share my appreciation towards all my stalwart students for acting with determination and vigor in these trying times. The entire team of JMJ with their unwavering support and care has led to creation of many positive memories for all during this virtual academic session. We have created best of enriching opportunities in the form of myriad of virtual activities and competitions other than regular academic sessions. Upgrading digital skills, discovering latest avenues and overcoming every challenge has accelerated the pace of our preparedness for future. As we accepted the change, its for you dear children whose future we wish to see dazzling and shining with glory in all the times to come.

May you continue to grow and stretching your wings to reach greater heights in the next academic session as well. Remain unstoppable to lead your future course with incredible actions imbibing morals of being good citizens.

Wishing all of you a spree of joyful learning for the new academic session!

Hand Puppet Activity

We had an exciting activity for the kids of Nur & Prep on 4th Feb 2022. The name of the activity was ' Hand Puppets ' where in our tiny tots made a short video holding the puppets and reciting few lines related to it. One could witness parents' enthusiastic guidance in preparing their kids for this fun filled virtual activity.

A banner for a hand puppet activity. It features two colorful hand puppets: one orange with a blue flower on its head and a pink wristband, and one purple with green polka dots and a blue flower on its head and a pink wristband. The background is a light pink and purple gradient with a floral pattern.

Hand Puppet Activity

A central purple banner with the word 'WINNERS' in white, flanked by a gold medal on the left and a gold trophy on the right.

WINNERS

Nur - A

1st - Jayesh Anand
2nd - Mayukh Kumar
3rd - Myra Gupta

Nur - B

1st - Mehar Mallik
2nd - Manushi Grover
3rd - Chirag Wadhwa

Prep - A

1st - Khwaish & Nishtha
2nd - Jorge Maria & Varsirat
3rd - Aastha Nagpal & Virag

Prep - B

1st - Hargun Kaur
2nd - Aashbi Khanna
3rd - Jose Lucian Ekka

GO QUIZZICAL

No nation can be powerful if it forgets it's pride culture and heritage.'

Keeping in mind the resonance of the above-mentioned words, our school organized an online quiz competition 'Go Quizzical' with the theme- 'Heritage of India', on 17 February, 2022, for the students of classes VI to VIII in which the fervent participants in each class gave a tough battle to each other. The aim of the competition was to test the learners' knowledge about the culture and heritage of India. Their awareness about different historical monuments was tested. The students showcased their brilliance by rapidly answering the questions. It was a very informative and knowledge enriching competition.

WINNERS

Class - VI

1. MANYA CHOPRA- VI A
2. MANAN BHASIN- VI A
3. DHRUV JUNEJA- VI A
LAKSHAY KUMAR-VI B

Class VII

1. NIDHISH RAWAT-VII A
2. HARSH KUMAR- VII A
3. NAYSA GUPTA - VII B

Class VIII

1. EKTA YADAV- VIII A
2. RYAN GOMBAR- VIII B
3. NIRVAIR NANDA- VIII A
KAVISH RAJEEV SINGH- VIII B

???

TAKE QUIZ

Shapes In A Box

A geometry net is a 2-dimensional shape that can be folded to form a 3-dimensional shape or a solid. Nets are helpful when we need to find the surface area of the solids.

An activity was conducted for the students of classes VI-VIII to make them understand the concepts related to the shape and sizes of various solids and how to make use of this information in finding the area and volume of the solids

The students preformed this activity under the guidance of their subject teacher- Mrs. Shiji Shinu. The students made sure that the solid and the net have the same number of faces and that the shapes of the faces of the solid match the shapes of the corresponding faces in the net.

They visualized how the net is to be folded to form the solid and made sure that all the sides fit together properly.

It was altogether a fun and informative activity.

Clay Modelling

Clay modelling is an activity that helps in the development of children in several ways. It nurtures a child's creativity, boost imagination and invite self-confidence.

Keeping this in view, a virtual 'Clay modelling Activity' was organised on 18th of February 2022 for classes I and II. The students made various things using clay like animals, flowers, scenery etc. They could experience experiential learning methods wherein learning by doing was evident in everyone's work.

An illustration of a goldfish on the left and a blue starfish with white dots on the right, both positioned above the title.

Deep Sea Animals

An activity, 'Deep Sea' - Water animals Making, was organized for classes I-V on 20 February 2022, to provide limitless opportunities for the creative minds. The students made water animals using paper plates and the material available at home. The activity was designed with the objective to develop aesthetic values among our students along with developing appreciation for the beauty of nature around us. The students created crafty ideas portraying their self-expression in an ebullient way.

Winners

Class III

First -Aakarsh Rajiv Singh (III A)

Second-Gangula A. Reddy(III A)

Eshita Gupta(III B)

Third- Aahadiyaha Bara(III B)

Class IV

First - Punya Gupta (IV B)

Arnav Bisht (IVB)

Second -Riyansh Dhawan (IVA)

Third- Soumya (IV A)

Aarav Sharma(IVB)

Class V

First – Sourjo Dass (VA)

Garv Bholra (VB)

Second – Soham Jana (VA)

Third – Manya Joshi (VA)

MATH & ART

In a view to bring math to the students by celebrating the link between mathematics and craft, a 'Math O' Art' activity was organized virtually for classes III-V on February 3, 2022. The fun filled activity helped the kids in realizing the fact that overlapping art and math not only strengthen their skills but also expand their vision of what it means to be an artist and a mathematician. The exuberant work displayed by the students employing various shapes and patterns was worth appreciating. The students used geometry in their work including shapes, symmetry, proportion and measurement techniques.

Sunna-Sunana Grandma Tales Activity

" मेरी दादी सबसे प्यारी, रोज़ कहानी सुनती है
शेर-चूहा, हाथी-घोड़ा सबकी बात बताती है
अपने जीवन के अनुभव और कहानी की शिक्षा से
अच्छी-अच्छी, सच्ची-सच्ची बातें मुझे सिखाती है "

Stories are the best medium to entertain and educate young minds. They are also used as a medium to ingain values, improving reading skills, and opening the minds of students to the world beyond their imagination. To keep the same goal in mind, 'Sunna-Sunana Grandma Tales Activity' was organised for the students of primary classes on 15th February, 2022 wherein not only students but their grandparents also participated with full zeal and fervour. They learnt the quality of becoming a better and successful person in life.

Winners

Eshita Gupta III B

3rd Position: Aahadhiyaha Bara III B

Class IV

1st Position: Emmanuel Varghese IV B

2nd Position: Sehaj Chhabra IV A

3rd Position: Geet Saini IV A

Class V

1st Position: Kavesh Bajaj V A

2nd Position: Manan Chhabra V A

3rd Position: Sohom Jana V B

COLLAGE MAKING ACTIVITY

To enrich student's experience in pictorial composition through the handling of new materials, Jesus Mary Joseph Sr.Sec.School organised a collage making activity for students of Classes XI & XII on 1 February 2022 on the topic 'Covid Scenario'.

Children's divergent thinking was challenged when they were asked to use an array of flat material as they had to decide what to use and how best to use the material to express themselves. We witnessed the usage of various skills in the collages made by our students.

Children enjoyed the activity which was supervised by Ms.Kalpita Lahiri Chakravarty.

Once you replace negative thoughts with positive ones, you will start having positive results.
